FELLOWSHIP AWARDS

For two decades, this competition has been a magnet for exceptionally talented artists from the U.S. and around the world. Fellowship winners each receive a \$3,000 cash stipend, unlimited round-the-clock use of Kala's studio and equipment for up to six months, and a number of professional development and exhibition opportunities. Hosting nine new international artists at Kala each year helps to ensure that the artistic energy and vision of Kala's entire community of artists in residence is continually re-energized and rejuvenated.

Each year the Fellowship competition is juried by Kala's Directors and an invited Bay Area arts professional. This year Kala welcomed **Jens Hoffmann** as the esteemed juror for the Fellowship awards. Mr. Hoffman is an internationally acclaimed writer and curator and is the Director of the Wattis Institute for Contemporary Arts at the California College of the Arts.
