## PAUL WACKERS "NEW ALPHABET" @ ALICE GALLERY, BRUSSELS

Sep 17, 2015 - Oct 24, 2015

Alice Gallery, Brussels

When you open up our next issue, which by your calendar would be the November issue, you will see a little feature on the artist [Paul Wackers](#). We like Paul's work a ton. It's a beautiful example of taking an old art form, the still life, and given it a wonderful contemporary look. When we see his work, we feel like we are literally, okay, maybe figuratively, stepping into the artist's studio as they are working out the process. Paul's new show, "New Alphabet," runs from September 17—October 24, 2015 at [Alice Gallery](#) in Brussels.
