Daniel Albrigo, *Flowers*, 2026, Oil on canvas, 16 x 12 in.

Eleanor Harwood Gallery is pleased to present Daniel Albrigo's *Dream Sequence* in the Project Space. Please join us for the opening reception on Saturday, March 14th, 2026, from 5-7 pm. *Dream Sequence* will run alongside Joe Ferriso's *Lost & Found* from March 14th to April 25th, 2026.

Dream Sequence is a solo exhibition that explores the boundary between reality and the surreal spaces our minds wander through during sleep. In this collection, Albrigo strives to capture those elusive moments. His paintings depict fleeting images and sensations that feel both tangible and otherworldly.

The dreamlike states he shows are not meant to tell a single story but to inspire personal reflection and emotion. Each piece invites the viewer to explore the subconscious, wandering through a space where clarity and uncertainty exist together.
