

Marty Machado: Six Months At Sea In The Merchant Marine

March 23, 2015 | in [Juxtapoz](#)

In this short documentary, [Martin Machado](#), who is featured in our April 2015 issue, tried to answer some of the common questions that he usually gets about the time he spends on ships. "The footage I took myself using fairly basic cameras that I could fit in my pocket while I was on the job as a deckhand. The story follows me on my six month journey around the world on a container ship which was on a run between New York and Singapore via the Suez Canal.
