Studio Visit: Paul Wackers.

Opening this weekend at [New Image Art](#) in LA is **It Takes Two To Make An Accident** with [Paul Wackers](#) and Sean Cassidy. I got to hang out with Paul this week before he drove down to LA for the show. A big thanks to Paul because all of his paintings were wrapped, packed and ready to go and he was gracious and kind enough to open each one for me to take photos of. It was really nice to get to see each one individually and spend some time with Paul. If you are in LA make sure you stop by the show on Saturday night, each piece is a gem in person.

More images after the jump. And you can see more photos and the full visit on the [blog's flickr page](#).

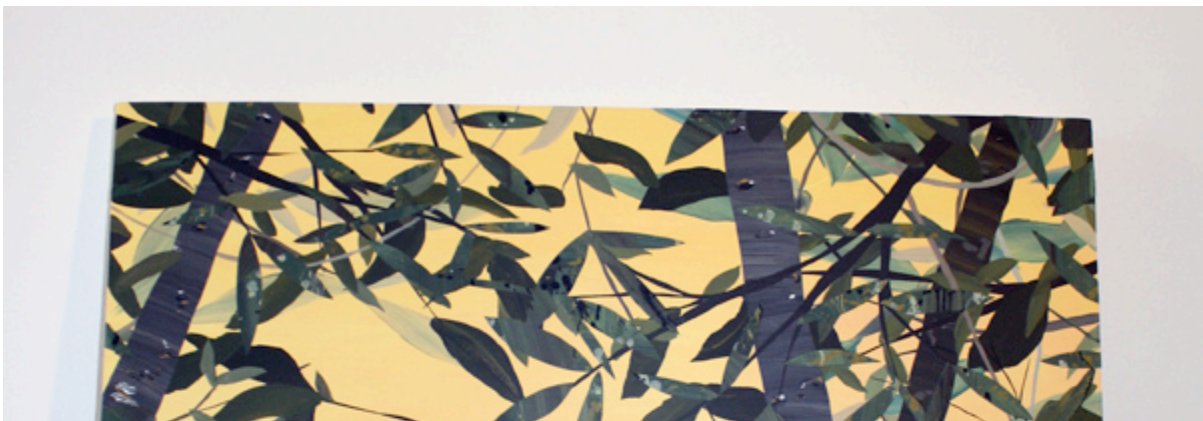

After checking out Paul's work we headed up to the roof to hang with the kitty for a bit.

I love how vibrant his paintings are. And that black & white piece is quite something!
